Productoverzicht

Pedrali werkt veel met eigen stoffen maar er zitten ook bekende stoffen tussen zoals een Kvadrat. Toch moeten we hier goed naar kijken!

Hier moet je op letten:

- Beperkte selectie aan kleuren per stof. Andere kleur? Vraag ons of dit kan.
- Onbekende code? In het rood zie je de code van de leverancier.
- Kijk goed in dit overzicht in welke stof het model gestoffeerd kan worden, niet alles kan!

Stoelen

Babila kuip

Te stofferen in:
